PREFACE.

The NEWPORT DIRECTORY for 1885 is presented to our patrons with a thankful acknowledgment of the aid afforded by them to the enterprise, and with the gratitude of the publishers for the promptness and cheerfulness with which information has been given the canvassers by the citizens generally.

We believe the work of collecting the names was never more thoroughly done than it has been this year, as the numerous changes and large increase of names noted in the table below will testify. It is very gratifying to observe the steady increase of the city in population and prosperity (of which the Directory is a reliable index), especially in these times of general business depression.

The Directory of Summer Residents, beginning on page 289, has been made more complete than formerly, and is a valuable and interesting feature of the book.

The Street Directory has been extended and the street changes incorporated in their proper places. The map has been carefully corrected to date, and some new streets added. This map may be procured in pocket form at the bookstores for 25 cents, or will be mailed on application to the publishers.

For the many matters of public interest contained in the Directory, consult the INDEX TO CONTENTS on the opposite page.

CHANGES IN THE NEWPORT DIRECTORY.

Number of Names in Directory of 1885.....	*7,383
Number of Names in Directory of 1884.....	7,068
Increase.....	315
Names added.....	1,358
Names erased.....	1,043
Changes in location, etc.....	1,509
Number of changes made in compiling General Directory.....	3,910
Additional names in list of Summer Residents.....	615

*This number includes the names of 233 persons who have died or who have removed from Newport during the year.

By comparing these figures it will be seen that there are 3,910 alterations in a total of 7,068 names that composed the Directory of 1884, or about 55 per cent., showing that the Directory of last year is now of little value for reference.

MANUFACTURERS AND IMPORTERS OF

Surgical & Dental INSTRUMENTS,

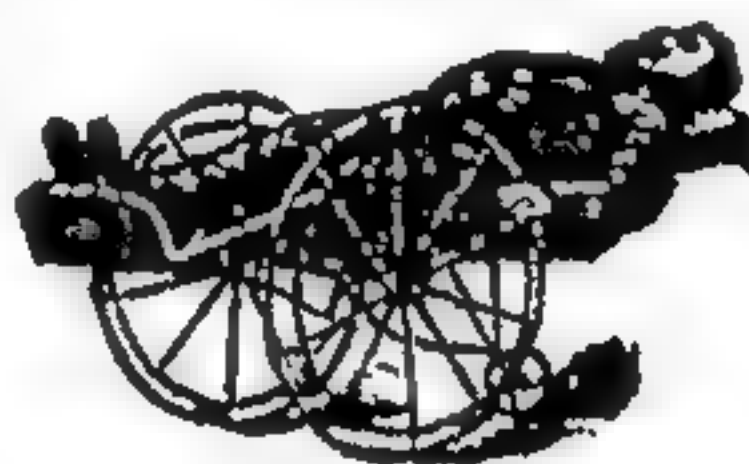

Besides a complete assortment of articles intended for the exclusive use of the Medical and Dental professions, have always in store, at the lowest prices, a great variety of the following articles, suited to the wants of the general public:

INVALIDS' ROLLING

— AND —

BATH CHAIRS.

TRUSSES,

A large assortment of best patterns from which to select, to meet the requirements of each case. If convenient, persons requiring Trusses should call at our establishment, where they can have a suitable Truss carefully fitted by a competent and experienced person familiar with the anatomy of hernia. When a call in person is impracticable, a careful description should be sent, stating whether the rupture is on the right or left side; also the measure around the person, two inches below the top of the hip bone. If the rupture is at the navel, the measure should be around the body at the navel. N.B.—Ladies attended by those of their own sex.

ELASTIC HOSE,

For Varicose Veins, Swollen Limbs, and Weak Joints. Of these goods we have several classes of silk and cotton, possessing different degrees of elasticity; the stout silk being usually the most satisfactory. The sizes are full length (of leg), three quarters, half or knee hose, knee caps, and anklets. Unusual sizes made to order. Also,

Elastic and Spring Abdominal Supporters, Shoulder Braces, Suspensory Bandages, Apparatus for Weak Ankles, Bow-Legs, Club-Feet, etc.

Also, Crutches of various and most improved kinds; Syringes, Rubber Urinals, to wear on the person day or night, for Males and Females; Galvanic Batteries, Hearing Trumpets, Auricles, and Conversation Tubes for the Deaf.

Together with many other articles for the use of the SICK and INVALIDS. Also the largest and best assortment of

Atomizers & Nasal Douche,

To be found in the United States. A GOLD MEDAL has lately been awarded us by the Middlesex Mechanics Association, as will be seen from the following report, signed by a leading New England Surgeon and Physician:

"1503. CODMAN & SHURTLEFF, Boston, Mass. One Case Surgical Instruments and Atomizers.

"The Committee have no hesitation in awarding for this superb exhibition the highest premium. * * * The various other instruments for inhalation of atomized liquids, and for Local Anæsthesia, were all apparently faultless, both in design and workmanship. The exhibitors are regarded as more especially deserving of the highest token of merit for having produced nothing except their own manufacture. GOLD MEDAL. (Signed), GILMAN KIMBALL, M.D., Chairman."

REDWOOD LIBRARY AND ATHENÆUM.

Bellevue avenue, corner Redwood street. This time-honored institution was originated in 1730, and was incorporated by charter in 1747. The present edifice was erected in 1748, and it was enlarged in 1858, and again in 1874-5. *Pres.*, Dr. Henry E. Turner; *Vice-Pres.*, William Gilpin; *Treas.*, Job T. Langley; *Sec.*, William P. It is a private institution, but is always free to those who are introduced. It is designed, in a great degree, as a library for consultation, and hundreds of eminent persons, who may be found here in the summer season, resort to it for aid on the subjects which they are investigating. They do not desire to take the books away with them, and for the purpose referred to the collection is invaluable. The walls are hung with valuable paintings, and a number of pieces of fine statuary may be found, principally the gift of the late Edward King, Esq., who, together with his family, have been great friends of the institution.
